1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information, if necessary.)

I am a customer of Dominion Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information, if necessary.)

I am against the rate increase Dominion Energy is proposing. Not only are customers paying for the failed expansion of the V.C. Summer plant, they also did not receive the \$1,000 check that Dominion Energy advertised when selling customers on the purchase of SCANA. In addition, we are in the middle of a global pandemic and the economy is uncertain for many people and despite what Dominion Energy claims is a nominal increase, asking customers to pay more right now is wrong.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No
